## Health & Wellness Center Overview

- ◆ The Clinic is available to all eligible employees, spouses and dependents that participate in the Health Plan
- ◆ All Clinic visits, lab tests, and prescriptions dispensed to you have **NO out-of-pocket cost**
- ◆ All lab tests and prescription refills require a scheduled appointment with the nurse
- ◆ Please arrive on time for your appointment so we can stay on schedule and you can return to work or home as quickly as possible
- ◆ You can reach us by phone 24/7 including weekends and holidays. Call us with your medical questions, especially if you aren't sure if you need care or not. 1-888-492-8722
- ◆ Child immunizations will not be available. These are a covered benefit under your health plan
- ◆ MD Appointments will be available
- ◆ Medical records will be shared from QuadMed. An initial visit is not required for care unless you are a new patient to the clinic
- ◆ For new patients, your first visit will last around 40 minutes to allow time to gather your health information and medication history
- ◆ Services at the clinic are **NOT** to be a replacement for your personal family physician or nurse practitioner. Please maintain your existing relationship
- ◆ At your request, all medical records and lab tests can be sent to your personal health care provider
- ◆ You will have access to the same medications you are receiving today based on manufacturer availability
